

Jobs

the biggest
**economic
issue**
facing voters
this fall.

Since January 2000, more than 2 million U.S. manufacturing jobs have disappeared. That's an average loss of 60,000 good-paying jobs every month!

Will your job be next?

On November 5, put people in office who are committed to trade and economic policies that support American jobs with good wages and benefits.

VOTE LIKE YOUR JOB DEPENDS ON IT - BECAUSE IT DOES!
